the Glam Jungle

Sun, zest for life and a pinch of flamboyance - that sums up Riccardo's new home in Mallorca! Together with KARE the colourful star, who is in constant action as a presenter, model and author, has created his ultimate hide-away here.

His ideas and inspirations were brought to life during a personal furnishing consultation at KARE Kraftwerk in Munich.

Riccardo's finca is not just a showcase for his wild charm, colourful tastes and extraordinary interior design ideas, it is also a retreat for him and his family. The aim is for everyone to feel at home here and be infected by the feel-good interior. A place that sparkles and shines just like Riccardo Simonetti himself. He is delighted: **"I can now hardly wait to start creating memories in my new house, because that's what turns a great place into a home!"**

Glamorous gold and jungle vibes: Riccardo's living area

The living room is full of eye-catching pieces: the curved 3-seater Dschinn sofa in golden velvet combines glamour with cosiness. And as if that wasn't enough, Riccardo keeps on rocking with Aunt Betty armchairs in the elegant Midcentury style.

Combining glamour and nature with a touch of humour

The lounge area is a paradise featuring an eclectic mix of styles.

Armchair Aunt Betty,

The bedroom combines Spanish flair and pink power!

And how does Riccardo prefer his bedroom? Definitely flamboyant, with bright pink cupboards and sideboards from the DISK series. It's as if someone has poured a pot of colour over the traditional Mediterranean interior style - and it works! Jungle-print curtains and palm tree bed linen bring nature right into the bedroom.

"The bedroom is my favourite room. I love rose, pink and golden details. I like beautiful things and I don't want to surround myself with furniture that is simply practical. Every piece should also have aesthetic value."

Sideboard Disk Pink, 85 x 150 x 50 cm | 82771 |

Inspiration from California and Hollywood

"My inspiration comes largely from pop culture! I enjoy decorating with works of art featuring a Pop Art look, I adore icons like Marilyn Monroe and present-day female artists like Lana del Rey and Lindsay Lohan."

BRINGING THE LOOK TO YOUR HOME

Retro deco

We adore decorating the **retro style** with **vintage elements**! A record player is a great **eye-catcher**, as are cocktail glasses from the Seventies, a punch bowl or **handmade ceramics**. It's worth rummaging around at **flea markets** or in your **cellar** - great decorative treasures often come to light here.

Flower Power

Floral touches are a great way to spread colour and a cheerful mood. Whether fresh in a vase, carved into furniture fronts, or as a **print on textiles and wallpaper** - flower motifs bring the retro feeling to life!

Material mix

Midcentury-style furniture such as solid wood sideboards with slender legs, comfortable leather armchairs and **quirky plush objects** are characteristic of the retro style. Fluffy carpets and **highlights** in velvet and corduroy round off the look.

Modern retro

The colour world

Be bold with colours

For the perfect retro style we need at least one **statement colour**. A wall in vibrant green, deep orange-red or sunny yellow is typical. Those who are daring enough can paint several walls in different colours!

LET'S DO BETTER.

The KARE Sustainability Initiative.

Sustainable lifestyles and responsible consumption are here to stay. What does sustainability actually mean for KARE? We invited members of our community to find out what aspects are important to them personally. In line with our "Let's do better!" initiative we aim to make a contribution together to reducing our ecological footprint.

THINKING ABOUT THE BIG PICTURE

Doing things better than others - this was the idea that launched KARE in 1981. Our mission is to make every home a happy place with furniture of lasting value and quality. At the same time, the term "home" means much more than just four walls.

WE THINK BEFORE WE PRINT

At KARE we question every print product and scrutinise its value very carefully. The magazine that you are holding in your hands is a very special case: it is published once a year and is printed on environmentally friendly, FSC-certified paper.

"I LOOK AFTER CHILDREN FOR A LIVING AND IT IS VERY IMPORTANT TO ME TO BE A **ROLE MODEL** FOR THEM. THIS IS WHERE I SEE MY CONTRIBUTION TO **SUSTAINABILITY** IN THE FUTURE."

Vanessa, 31

"I WOULD LIKE US ALL TO LIVE MORE IN **HARMONY WITH NATURE** AND PROTECT OUR ECOSYSTEMS BETTER!"

Jonathan, 25

SUSTAINABLE THINKING

Carpenters, for example, often spend many days working on a sideboard made from recycled wood. Furniture not only contains natural materials such as wood that are worth protecting, but also the knowledge of centuries-old traditions of craftsmanship.

A LONG AND LASTING FRIENDSHIP

KARE stands for unlimited inspiration! That's why we offer furniture, lighting and decorations for every taste and style. After all, furnishing the home should be fun. However, in our eyes pieces of furniture are not throwaway items.

"IT IS IMPORTANT FOR ME TO THINK ABOUT WHETHER THERE IS **AN ENVIRONMENTALLY FRIENDLY OPTION** - COULD I PERHAPS TAKE THE TRAIN INSTEAD OF A PLANE?"

Gianni, 41

NATURALLY WITH QUALITY

Our home textiles have a good feel about them. They are increasingly made from natural materials such as cotton and linen, or near-natural raw materials such as viscose, which is based on plant fibre.

LEATHER FOR LIFE

A beautiful sofa made of genuine leather is an investment for life: with proper care it will be hard-wearing and become more and more beautiful over the years. Genuine leather is naturally abrasion-proof, hard-wearing and tear-resistant. Compared to cheap leather alternatives in particular, high-quality leather is more environmentally friendly.

"WHAT'S GOOD FOR MY BODY IS ALSO GOOD FOR THE ENVIRONMENT - SO I CHOOSE COSMETICS WITH NATURAL INGREDIENTS AND **ENVIRONMENTALLY FRIENDLY PACKAGING** FOR ALL PRODUCTS!"

Melina, 19

"WE ARE LUCKY ENOUGH TO BE ABLE TO ENJOY NATURE. SO WE SHOULD **TREAT IT WITH GREAT RESPECT.**"

Olivia, 33

A GOOD FEELING

Natural materials such as real wood, marble, cotton, wool and linen are increasingly becoming part of our collections. This is because their colours, their feel and their stories convey a wonderful sensation of well-being and have less impact on our environment.

WOOD WITH A PROVENANCE

All our suppliers must provide us with information about the origin of their wood and other natural materials, as well as up-to-date, recognised certificates for legal and ecologically compatible sourcing. KARE wood products are obtained exclusively from legal sources.

"A PIECE OF FURNITURE IS **A COMPANION FOR LIFE**, SO WE SHOULD CHOOSE IT, LOOK AFTER IT AND TREAT IT WITH RESPECT."

Julia, 31
